**DATE:** February 11, 2004  
**TO:** AHCCCS Health Plans  
**FROM:** AHCCCS ISD  
**SUBJECT:** "As Of" Date for Daily Changes to Member Co-pays

We will use the Loop 2000 Member Level Date Segment for the "As Of Date" for the Co-pays.

On the 834 transmissions the Process Date (Qualifier "303") will represent the Co-Pay "As Of" Date when Co-pays are present.

Health Plans should incorporate this date into their Co-pay update processes to be used as the Co-pay start date.

For those of you more comfortable with the Roster format's terminology, the date was previously known as the "CP Begin Date".

Attached is an example of the layout for a typical 834 formatted Member 'transaction'.

### Example – Display of Member Segments from an 834
